Re: 65016Q0613 – Diamond Grip Gloves Bid

This addendum shall be considered part of the Specifications for bid (except as noted otherwise) and is issued to change, amplify, or delete from or otherwise explain these documents where provisions of this addendum differ from those of the original documents. This addendum shall have precedence over the original documents and shall govern.

Q1: Page 2, under brand and product it is written or acceptable equal; unless no substitutes allowed ... In the paragraph above this, it is written no substitutes, does this mean you are accepting only Diamond Grip Gloves, or if we have exact equal glove, can we submit pricing with detailed information attached?

***A1: We will not accept substitutes prior to seeing samples. If the samples meet our needs, then we can consider the substitute on the Aurelia brand only. The Diamond Grip brand cannot be substituted. Our work is very sensitive, and all brands of gloves must be tested for suitability prior to use.***

All bidders must attach this form to the original Bid/Quote Form. This completed form will serve as acknowledgement that this information has been received.
